

Zorro the Money Dog

Teacher/Parent Guide to #5 "Three Jars for Saving Money"

What are the three jars for?

When you get money, divide it between three jars.

What is each jar for?

Jar 1 is for stuff to buy now.

Jar 2 is for stuff to buy later.

Jar 3 is for college or helping people.

How do you get money?

You earn it by working. Ask if you can do extra chores.

What if you get \$10?

Change it to ten \$1, put three in each and save the extra \$1.
