

Zorro the Money Dog

Teacher/Parent Guide to #7 "Keep Track of Your Money"

What is Zorro telling you?

Keep track of all the money you spend.

Write it down. Look at where it went. Then decide if this is the best way to use your money.

Tell your pupil/child how you as a teacher/parent keep track of your money. (And if you as an adult don't track your expenses, tell the child that today you learned something from Zorro also.)
